

Fabulous 2017!

Each year the Governors write to the parents to let them know what we have been doing and what we hope to be working on in the coming year.

Our governing body is made up of parents, community members and staff who support the school and help manage the strategic plans. We are a keen bunch of people - many of whom you will see in and around school helping with other tasks as well. We meet regularly as a full group and also separately in different committees who look at specific issues and ideas.

Last summer we said goodbye to Mrs Casburn as she retired - her send off was really lovely and her Mother Goose sculpture amazing! In September, we were delighted to welcome our new head Alison Read. We have already started working hard alongside her and the rest of the teaching and support staff to ensure a smooth transition. We hope that you have had an opportunity to talk to her and tell her about the magic that is Aldborough Primary School!

A great place to learn and work

Premises & Communication Committee

Rebecca Smith

Last summer we spent money on fixing the floor in the dining room which had lifted. That was replaced and new flooring laid.

We have now got a good internet speed and extra lines into the school to support office IT functions and the children's learning.

Our big focus for the coming year is spreading the word about how great Aldborough Primary school is by promoting our school more widely. Please support us by telling your friends and family about the amazing reading results, the fabulous wide curriculum, committed and engaged staff and our amazing environment. #iwantthatformykid #fabulousaldboroughprimary

Curriculum Committee

Jan Legge and Andy Mills

Karen Fidge

Jill Morgan

The most important functions of the Curriculum Committee are to ensure that your children have a broad, rich and creative curriculum and are kept safe at school at all times.

As well as monitoring the standards in English, maths and science, we look at how the rest of the curriculum is implemented. For example, we are currently particularly interested in seeing how the sports grant which the school receives from the government is used to provide specialist training for your children and the staff.

Finance and Personnel Committee

Sarah Merrick, Georgia Withers and Thomas Courtauld

Finance and Personnel's role is to monitor and assign the budget. This committee work hard to ensure that we have the

David Doak

Richard Hembling

right funds in place to enable the school to function efficiently. It is true that these budgets are being squeezed ever tighter each year, so this committee has a difficult job to do to maintain the people, resources and infrastructure that makes our school so special. We are always on the lookout for extra grants and funding streams - please tell us if you hear of anything fab!

Finally we would like to wish everyone a very Merry Christmas and a Happy New Year. Have a well earned break, and come back ready and refreshed in 2018. We look forward to seeing some of you at the brilliant KS1 Nativity and the amazing KS2 Panto!
