10.09.2020

Dear Parents/ Carers,

I just thought I would write this letter to offer some information about how reading works in Class 2. This has changed this year due to Covid 19 restrictions.

- Your child has a new blue and white reading record. This will be need to be written in by whoever reads with them at home.
- Staff won't be writing in the reading records (due to Covid 19 restrictions) but they will be checked weekly for us to keep track of home reading. It's perfectly acceptable to write the title of the book, date and then initial it after you've read with your child. Please don't feel that you have to write lengthy comments unless you'd like to.
- We will issue all children two books per week to take home plus a group reading book. This gives your child the chance to read each book a few times during the week.
- These two books will need to be returned to class the next Monday so they can be sanitised and then enjoyed by another child.

Group Reading (due to start in the next few weeks)

- Your child will bring home their red exercise book to do their homework in along with the book they have read in the class session on a Wednesday morning.
- After sharing the book at home, they then need to complete the homework and return it to class for the following Wednesday's session, your child will then have an opportunity to share their homework with others without anyone else handling their book. Strict hand washing routines will be followed throughout.
- Homework- I encourage you to help your child with their homework, but if they can do it independently, excellent.
- Please return the reading book from Group Reading to school the following Wednesday to allow it to be sanitised and then used for other groups.

Many thanks

Mr Caston
